

Marketplace Launch Checklist

Use this checklist for any new product launch or new marketplace account setup across Amazon, Flipkart, or Meesho.

Pre-Launch Research

- ☐ Category and sub-category confirmed with correct commission slab
- ☐ Competitor pricing, ratings and review count benchmarked
- ☐ HSN code and GST rate verified for the product
- ☐ Keyword list built for title, bullets and backend search terms

Account & Compliance Setup

- ☐ GST, PAN and bank details verified on seller panel
- ☐ Brand registry / trademark linked if applicable
 - Amazon Brand Registry unlocks A+ Content and brand protection tools.*
- ☐ Category approval requested in advance if gated
- ☐ Return/refund policy and shipping template configured
- ☐ FBA/warehouse pickup address and packaging compliance confirmed

Listing Creation

- ☐ Title, bullets, description written and keyword-optimized
- ☐ Minimum 5-7 high-quality images uploaded
- ☐ Variations (size/color) correctly parent-child mapped
- ☐ Pricing set with margin check against platform + ad spend costs
- ☐ Listing live-checked on desktop and mobile before going active

Inventory & Fulfillment

- ☐ Opening stock quantity finalized per SKU
- ☐ Fulfillment mode decided (FBA/self-ship/franchise) per marketplace
- ☐ Packaging tested for transit damage on fragile items
- ☐ Reorder trigger point set to avoid early stockouts

Launch Week Actions

Marketplace Launch Checklist

- ☐ Sponsored Products/PLA campaign started at controlled budget
- ☐ Coupon or launch discount activated to drive initial velocity
- ☐ Early reviews requested through platform-compliant channels only
- ☐ Listing indexed — search visibility checked for target keywords
- ☐ Daily order and inventory check scheduled for first 7 days

Post-Launch Monitoring (Day 7-14)

- ☐ Sales velocity compared against category benchmark
- ☐ ACOS/ROAS reviewed and bids adjusted
- ☐ Return rate and customer feedback tracked for early quality signals
- ☐ Listing content revised based on early search term data

Everything to confirm before and during the first two weeks of launching a new product or a new seller account.
